To Whom It May Concern

This is to certify that The Hong Kong Backpackers' Association will organize an event named "Cycling Hong Kong 2004" in July 31st to August 1st 2004. The participants will make appeals to the corporations and public to give donations in support of ORBIS.

ORBIS is a non-aligned, non-profit global development organisation whose mission is to preserve and restore sight by strengthening the capacity of local partners in their efforts to prevent and treat blindness. All donations of HK\$100 or above are tax-deductible.

Thank you for your kind attention.

Yours sincerely,
